

Discontinued Models

The following Myson fan convector models have been discontinued.
Replacement parts for these units are no longer available.

CSU-10U/M, 15U/M, 23U/M

**Slim-Line RC, SL16,
 SL60, Vertical II**

The fan/motor assembly for
 these units are still available:
 Part number - F-7100017

Hi-Line (analog version)

**Lo-Line (analog version
 controls on the side)**

**ADVANTAGE III, MARK II Minivector,
 SUPER II & CLASSIC, SUPER III & CLASSIC III**

The control diagrams illustrated above are typical on older surface mount analog fan convectors. In addition to the models listed above these analog controls can also be found on older Lo-Line units. Typically analog units have rotary knobs and/or rocker switches while digital models will have touch controls and a LCD display. **PARTS ARE NO LONGER AVAILABLE FOR THESE UNITS.**

PK120 - kickspace unit: grille is 207/8" Long
